

NORTH MONTCO TECHNICAL CAREER CENTER

PROTECTIVE SERVICES

Protective Services Technology program will provide students with an experience in the general public service occupation cluster. After covering a broad curriculum, students will specialize in several aspects of emergency medical service, police science, security, emergency medical technician, and other related occupational fields. Students are encouraged to pursue post-secondary training for more career opportunities. Curriculum includes the Emergency Medical Technician Program, which is designed to prepare 11th and 12th grade students for EMT certification. Community service is also a requirement of this program.

What you will learn:

- Pennsylvania Laws
- Law Enforcement
- Criminal Investigation
- EMS
- Security
- Safety and emergency management
- Fire fighting

Physical criteria:

- Manual dexterity
- Strong eye/hand coordination
