MESSAGE FROM
THE DIRECTOR

Welcome to the North Montco Technical Career Center. NMTCC offers students many opportunities to begin a career that span a lifetime. We take pride in the quality of our staff and of the services we offer. In order to maintain quality services, it is imperative that we establish clear expectations for all NMTCC students.

To establish and maintain a quality-learning environment, we have implemented a code of conduct that all students must maintain. The information on the following pages outlines all of our school policies. *It is imperative that new students and parents or guardians take time to review this information and sign the acknowledgment page contained in this handbook.* Upon entering our school, all students will have the opportunity to review this handbook and obtain clarification if necessary regarding any of the foregoing policies.

It is also important that you note: NMTCC has a zero tolerance policy regarding any type of behavior that can be considered as being criminal in nature. Consequently, any student who engages in illegal behaviors on our property may be referred to local law enforcement agencies.

As the Director of the North Montco Technical Career Center, I am committed to maintaining a safe, equitable learning environment in which all students will have the opportunity to learn. All students enrolled in our school are invited to engage in the services we offer. I encourage all parents and students to talk with members of our counseling staff and administrators about the many advantages available at this institution.

I hope you have a rewarding experience at NMTCC and obtain all the knowledge and skills needed for a successful career.

Sincerely,

Mrs. Gina Pardovich
Administrative Director

Activity Fee and Student Activities

All students are required to pay an activity fee of twenty dollars yearly ($20). Please send this activity fee to NMTCC during the first week of school. Payment must be made on a separate check payable to “North Montco Technical Career Center.” This payment can also be made online at www.nmtcc.org. This fee encompasses dues for student organizations such as SkillsUSA and FFA and will also be used for school activities such as anti-bullying, texting, drug & alcohol presentations and other relevant topics.

Career & Technical Student Organizations

Through Career & Technical Student Organizations, students are eligible for competitions and recognition at local, state, national and international levels. These organizations include National Technical Honor Society, FFA, SkillsUSA, or other organizations specifically related to their technical areas. These organizations sponsor various activities. They allow the student the opportunity to develop social and professional skills that will be of value to them in their future careers. There will be a fee to join these organizations.

- **FFA - Future Farmers of America**
  “FFA is an intracurricular student organization for those interested in agriculture and leadership.” (ffa.org)

- **NTHS - National Technical Honor Society**
  “NTHS is the acknowledged leader in the recognition of outstanding student achievement in career and technical education. Thousands of schools and colleges are affiliated with the Society. Member schools agree that NTHS encourages higher scholastic achievement, cultivates a desire for personal excellence, and helps top students find success in today’s highly competitive workplace.” (nths.org)

- **SkillsUSA**
  “SkillsUSA is a national membership association serving high school, college and middle school students who are preparing for careers in trade, technical and skilled service occupations, including health occupations, and for further education. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce.” (skillsusa.org)

Educational Trips

Students participating in a sending school educational trip must notify the NMTCC Attendance Secretary at least one week in advance.

Field Trips

A field trip shall be defined as any journey by students away from school premises, under the supervision of a teacher that is an integral part of an approved course of study and conducted for the purpose of affording a firsthand educational experience not available in the classroom.

Students on field trips remain under the supervision and responsibility of the Joint Operating Committee (NMTCC School Board) and are subject to all its rules and regulations. Failure to abide by NMTCC established disciplinary guidelines may result in the student’s inability to participate in future field trips.

The Joint Operating Committee does not endorse, support or assume responsibility in any way for any staff member of this school who takes students on trips not approved by the Director and the Joint Board. No staff member may solicit students of this school for such trips within the facilities or on the school grounds without the Joint Board’s permission.

All school regulations pertaining to student conduct, as identified in the Student Handbook, shall apply to students on field trips or other school sponsored activities. For this reason, any infractions of school rules while students are participating in a field trip or other school sponsored activity will result in disciplinary action.

Field Trip Dress Code

In order to properly represent NMTCC, students are expected to dress in an appropriate and reasonable fashion. Prior to the field trip the instructor may distribute guidelines for dress attire. If inappropriate dress is determined, the student will not participate in the field trip.

*All students may be subjected to bag searches prior to leaving the building.

Appeals Process

Every student is entitled to due process in discipline matters. The assertive discipline program informs students of the rules and policies and the consequences for any violation.

Any student has the right to appeal disciplinary actions to the Assistant Director or the Principal, and then to the Director of NMTCC who makes the final decision.

Attendance Policy

Regular school attendance is essential to the successful completion of the educational objectives of the school. The school laws of Pennsylvania require all school age children to be in attendance on all days that the school is open. The school attendance laws also require the school to hold students and their parents accountable for valid documentation of reasons for absence.

Attendance Regulations

Every student enrolled at North Montco Technical Career Center must be in attendance daily. **Excused absences from this policy include:**

1. Personal illness
   - Doctor’s or dentist’s written excuse
   - Approved medical or dental appointments
2. Quarantine of the individual at home
3. Death in the immediate family (5 day maximum)
4. School authorized field trip, school approved activities or approved educational travel (prior approval of
5. Emergency reasons as approved by the Technical Career Center Administration
6. Religious holiday as observed by the sending school district
7. Required court appearance
8. Post-secondary school visitations (with Administrative approval)

NMTCC has implemented a phone notification system to improve communication. This system may be used to inform parents/guardian on a daily basis of their child’s absence from NMTCC. Parents can also use this system to relay information back to the school at the time of the call.

Attendance is required of all students’ at NMTCC. A work ethic grade is included as 30% of a student’s total grade. Attendance is a component of work ethic grading.

- After five (5) cumulative days of absence, the parents may receive a letter from NMTCC notifying them of their child’s excessive absence.
- A student who accumulates ten (10) or more absences will be referred to NMTCC’s Guidance Department. A parent conference may be arranged with the parents/guardians to discuss the attendance record, the appropriateness of the student’s placement at NMTCC and the implication of further absence.

When a student acquires eighteen (18) days of absence, the student and his/her parents may be offered a due process hearing. Discretion may be used for absences occurring under direct doctor’s care verified by a physician’s note. All other absences may apply to the attendance policy. Any student choosing to attend NMTCC on a day when his/her sending school is closed must have prior permission from the technical instructor.

Exception: 11th grade Health Sciences students who are in the nurse aide training program can only miss less than 5 days.

Unexcused or Unlawful Absence/Truancy

For students who are of compulsory school age, three (3) days of unlawful absences may necessitate a warning notice to be sent in accordance with Section 1333 of the School Code. All subsequent unlawful absences may be referred to the district magistrate for possible fines or to Montgomery County Juvenile Court. Truancy designates a student’s absence from school without advance consent from a parent or guardian. Students may be assigned one (1) detention for each day truant. An unexcused/unlawful absence from school cannot be made up and the student will receive no credit for work missed.

Frequent absences from school disrupt the educational process. The benefits from regular attendance and instruction are lost and cannot be regained. Absences will be recorded as unexcused, based on, but not limited to the following list of reasons:

1. Oversleeping
2. Car trouble
3. Unauthorized trips
4. Unauthorized vacations
5. Missing the bus
6. Working before, during or after school hours on a day of absence
7. Job interviews (unless authorized by the Work Based Learning Program)

Absence Verifications

Parents are required to call the Attendance Secretary at 215-368-1177 to notify the school of their child’s absence for that day. Upon return to school the student must present a written excuse for the absence. The instructor at the beginning of the school year will issue blank excuse forms to each student. This excuse form must be presented to the attendance secretary upon return to school. The parent must state the specific reason for the absence and sign and date the card. Attendance office personnel will determine if the absence is excused or unexcused. If no written excuse is submitted by the end of the marking period, the absence would be recorded as unexcused.

Assault or threat on school Employees or students

Any acts of violence directed toward a teacher, administrator, student or staff member of the school by a student may result in immediate suspension from school. All threats and acts of violence may be referred to the police for further action.

Authority of Teachers and Administrators

According to Section 1317 of the Public School Code:

“Every teacher, vice-principal, and principal in the public school shall have the right to exercise the same authority as to conduct and behavior over the pupils attending his/her school during the time they are in attendance, including the time required in going to and from their homes, as the parents, guardians, or persons in parental relation to such pupils may exercise over them.”

Behavioral Guidelines

NMTCC, and all sending school districts, are bound by the Commonwealth of Pennsylvania Regulations and Guidelines on Student Rights and Responsibilities, Pennsylvania Code, Title 22, Education, Chapter 12. In order to protect these responsibilities and rights, a set of behavior guidelines has been developed.

The following are examples of behaviors considered inappropriate and may result in disciplinary action:

2. Pushing, shoving, throwing, fighting or general horseplay.

23. Transporting items that are considered a weapon to or from North Montco Technical Career Center as defined in the NMTCC weapons policy. **

See Harassment Policy on pages 30-31 for more information on behavior.

**Act 167 states that the possession of a weapon on school property or on a school bus has been classified as a misdemeanor of the first degree. Similarly, assault on a fellow student or staff member is a felony. Students and parents should be aware of several conditions in the law:

- A misdemeanor of the first degree is punishable by a fine of up to $10,000 and/or imprisonment up to 5 years.
- A weapon is broadly defined as an instrument that can do bodily harm.
- Any attempt to cause bodily injury to any school employee or a fellow student which is classified as an aggravated assault is a felony.

Bookbags and Back Packs
Bookbags and backpacks have become very popular and convenient for students to transport items to and from school.

However, they pose a safety concern. Therefore, school personnel may request that they be placed in a locker or designated area of the classroom. Any bookbag or backpack may be searched by NMTCC Administration and/or Security at any time.

Food and Drink Policy
During the lunch period all food and/or drinks are to be consumed in the multipurpose room. Healthy snacks sold by NMTCC may be consumed in the classroom only with the specific permission of the teacher.

Cafeteria/Lunch Program
NMTCC’s Lunch Program is self-supporting and non-profit. It is maintained as a vital part of the school’s educational program. As such, a well-balanced lunch is offered every day. An a la carte menu is also available including pizza, hotdogs, hamburgers, and a variety of soups, salads and sandwiches. For students who bring their lunch, a selection of drinks is available. Healthy snacks are also available.

If the student does not bring a meal from home and their account is deficient of funds, they will be given the following lunch and the student’s Account will be charged:

Cheese Sandwich or Peanut Butter and Jelly Sandwich
1/2 Pint milk
1 serving of fruit
1 serving of vegetable

As participants in the National School Lunch Program, free or reduced lunches are available to qualifying students. Application forms are available, and are processed through the student’s sending school. The school also offers accounts for lunch payments. Accounts for lunch can be set up through our website, www.nmtcc.org under Quick Links. Contact the Business Office to establish an account @ ext. 104

Students who eat lunch at NMTCC are expected to respect the rights of their fellow students by not cutting in the serving lines, eating in a mannerly way, placing trash in appropriate areas, and making certain that the table area is clean upon departure. No food or drink may be removed from the cafeteria. Appropriate behavior is expected at all times; students who misuse the cafeteria are subject to disciplinary action. A copy of North Montco’s food service, wellness and delinquent accounts policy can be found on our website at www.nmtcc.org.

Change of Address and/or Telephone Numbers
Students who have a change of address, phone number or parents’ work and/or home phone number must notify the Student Services Secretary in the main office.

Continuous Improvement System Form (CIS)
Any student can recommend improvement to our system. Parents and the community may make a suggestion by emailing northmontco@nmtcc.org. Students are able to complete a continuous improvement form located in the back of this book and in the administrative offices.
Computer Internet Policy
North Montco Technical Career Center has a Board approved Internet Policy for student and staff use. All students and staff may use the Internet for school related purposes only. The Internet policy is on file in the main office and in each computer center within the school. Students will be required to read the Internet Policy and sign off that they agree to abide by the policy.

Misuse of the school’s resources may include physical abuse and damage, introduction of non-approved programs, including viruses, misuse of software or any other damaging action to either hardware or software. Stealing of data disks and programs may be considered theft of school property.

Computer misuse may result in disciplinary action, payment for repair or replacement, and police involvement where applicable.

See Internet policy beginning on page 21 for additional information.

Additional examples of unacceptable use:
• Using the network for any illegal activity, including violation of copyright materials
• Degrading or disrupting computer equipment or computer performance
• Vandalizing the data of another user
• Gaining unauthorized access to resources or entities
• Invading the privacy of others
• Posting anonymous messages
• Destructing computer hardware or software
• Using the network for pornographic material
• Using the computer for personal use including email or instant messenger

Conflict
When involved in a physical or a verbal conflict with an individual or a group, it is recommended that you seek the assistance of an adult. Seek a teacher, guidance counselor, administration, or security, or another adult who can assist you with this conflict.

Mediation
Conflict is an inevitable part of life for everyone, including members of a school community. As in all organizations, members of a school community experience rumors, miscommunications, fights, arguments, harassment, and other conflicts. One way to address conflicts in schools constructively is through conflict resolution education. We at NMTCC are taking a proactive approach to this concern, by establishing a team specially trained to assist others in conflict, known as a mediation program. When a situation arises, you will be able to express your concerns about the situation within the realm of the school.

If confronted with physical conflict, you should attempt to escape and seek out an adult in the building. If students choose to fight, they will have to accept the disciplinary consequences.

Damage and Destruction of School Property and Endangering Acts
A student caught vandalizing school property may be suspended for a one (1) to ten (10) day period, regardless of the cost of the repair or replacement. A student caught vandalizing must make restitution for damages caused. All acts of vandalism may be reported to the local police for criminal action.

Any incident involving firecrackers, smoke bombs, fires set in trash cans, or any other type of incendiary device which might contribute to panic, catastrophe, or endangering the physical well-being of individuals or the school plant may be reported to the police, as well as the local fire department, since this act can be interpreted as a felony according to the State Penal Code.

Detention
Detentions will be served on Saturday mornings from 8:00 a.m. to 10:00 a.m. Student will be notified in writing of the date of the detention with sufficient time to make arrangements. Failure to serve the detention may result in further disciplinary action. Meaningful work will be assigned and graded.

Rules and Regulations for Students Serving Detention:
1. Students must have assigned work, textbooks, pencils, and pens and be working throughout the detention period. Sleeping, or heads down on the desk are not permitted.
2. Students who are absent on the designated detention day are expected to serve detention on the next scheduled detention date.
3. Any student who fails to serve his/her original or re-scheduled detention may be suspended, or face further disciplinary action up to, and including expulsion from NMTCC.

Dress Code
All students are expected to be dressed appropriately according to program and/or instructor regulations. The following clothing is prohibited:
• Tank tops
• Halter tops
• Midriff tops
• Tube tops
• Garments with open or bare backs, or any garment that overexposes the body, including exposing upper and/or lower cleavage
• Visible undergarments
• Clothing with drug/alcohol/sex related wordings or designs, obscenities or profanities. Offensive or suggestive language on any clothing will not be tolerated.
• Pieces of jewelry that are inappropriate (spiked necklaces, bracelets, chains etc.)

For the health, safety and welfare of everyone, students are not permitted to wear unusually long chains around the waist, between pockets, or around the neck. Students are not permitted to wear sharp, long studded collars or jewelry.
All shorts and skirts must measure below finger tip length. Administration will determine appropriateness.

Due to safety considerations, students are prohibited from wearing clothes that are inappropriate to the program.

Head gear such as bandanas are prohibited from being worn at any time in the building.

**Drug and Alcohol Policy**

Students at NMTCC are prohibited from knowingly possessing, using, distributing, manufacturing, or being under the influence of any controlled substance and/or alcoholic beverage while on school property during the school day as well as at any school sponsored activity, function, or event, or on any vehicle used to transport students. Also prohibited is the distribution or possession of any drug paraphernalia and/or drug look-alike, or juuling

Examples of the above include but are not limited to beer, wine, liquor, marijuana, hashish, chemical solvents, glue, look-alike substances, and any capsules or pills not registered with the school nurse, annotated within the student’s health record and/or taken in accordance with the School District policy for the administration of medication to students in school.

NMTCC recognizes its responsibility to protect the health, safety, and welfare of all students as well as to maintain and improve the rapport existent among students and staff. NMTCC will work to educate, prevent and intervene in the abuse of drugs and alcohol by students enrolled at the school.

The school and its employees shall be committed to the enforcement of all existing laws, regulations and guidelines adopted by federal, state, local and school district authorities. A student who, while under the school’s jurisdiction, is found to possess, use or abuse alcohol or other drugs, narcotics, or other health endangering compounds may be referred to local police for criminal prosecution.

NMTCC together with the 1,000 feet surrounding NMTCC property make up a statutorily created **DRUG FREE SCHOOL ZONE**. Any person over 17 years of age who delivers or possesses a controlled substance or counterfeit controlled substance with the intent to deliver it within the zone faces a mandatory minimum period of imprisonment. Those not facing the mandatory minimum sentence still face a fine up to $250,000 and imprisonment up to fifteen (15) years. Program attendance at NMTCC is part of the sending school’s program and is a privilege, any student who violates the Drug and Alcohol policy will be excluded from the program for one year and the student may not seek re-admission to the program until the beginning of the next school year, following a one-year exclusion. NMTCC will also refer such a student to the sending district and recommend disciplinary action.

A summarization of Alcohol & Drug Administrative Guidelines is found on page 33.

**Breathalyzer Policy**

Administration holds the right to utilize a Breathalyzer if there is reasonable suspicion that a student appears to be under the influence of alcohol, which could affect the safety and well being of the student and/or student body of NMTCC. A positive reading will result in the immediate contact of the local police department.

In addition, if a student does not have a positive reading but continues to appear under the influence of a substance, the local police department will be contacted immediately.

**Early Dismissal**

Parents and students are strongly encouraged to schedule all appointments during non-school time. Students requiring early dismissal from school must first obtain permission from the Attendance Secretary in the Main Office. A note from the parent requesting permission for the student to leave early is also necessary. The note must include a telephone number where a parent can be reached. All requests may be verified through direct parent contact. If someone is picking up the student other than the parent, this information must be stated in the note.

Students being dismissed early must report to the Attendance Secretary in the Main Office and sign out before leaving school. Work missed must be made up in order to receive credit. No student is permitted to leave the school grounds at any time without a note from a school Administrator, School Nurse, or the NMTCC Attendance Secretary. Students who become ill during the school day must go to the school nurse for early dismissal. Anyone picking up a student must enter the main office with a driver’s license.

**Cell Phones**

All cell phones, PDAs, smart phones, and iPads are not to be used at any time, unless specifically permitted in a student’s IEP or Section 504 plan. Other electronic devices, which shall include but not be limited to MP3 players, iPods, and compact disc players can only be used during non-instructional time during the student day on school grounds such as lunchtime in the cafeteria or while waiting for buses for the purposes of pickup. Cell phones may be allowed in classroom at teachers discretion. Phone calls must be completed in main office using school phone! In the event that a student does use such electronic devices during any instructional time or time other than that described or approved as above, the following procedures will be followed:

**First offense:** The student will be asked to turn the electronic device off and to put it away; it will be accompanied by a written warning.

**Second offense:** The student will receive a one hour detention, and the electronic device will be returned at the end of the session.

**Third offense:** The student will receive a two hour detention, and the electronic device will be returned to the student’s
parents after 2:30 p.m. on the day of the infraction, to the extent possible.

In the event that the school believes that the use of the electronic device is being used for an improper or illegal purpose contrary to other provisions of the Student Discipline Code and if there is reasonable suspicion to support that belief, the electronic device will be confiscated and subject to review by the Administration or the local authorities, as the case may be.

Under limited circumstances, the Administration within its sole and exclusive discretion can allow a student to use not only a beeper but also a cell phone or smart phone in the event that the Administration preapproves in writing the use of such electronic device in the event of a student whose immediate family member has a medical condition that requires the student to have such contact.

**Telephone Use**
The school telephone located in the main office is for students who need to call home. Incoming calls for students may be accepted only if there is an emergency and the caller states his/her name and the nature of the call.

**Excuse Notes**
At the beginning of the school year, blank excuse forms will be available to each student by the program instructors. Each time a student is absent from NMTCC he/she must present a written parental note or excuse form. This excuse form or note must be presented to the Attendance Secretary or it may be recorded as unexcused. Blank excuse forms are also available on our website, www.nmtcc.org, under High School Students/forms.

**Expressions of Affection**
Expressions of affection, which are more obvious than hand holding, are not appropriate in school. Lingering expressions of affection are not appropriate. Good judgment, common sense, and the mutual respect of students and teachers may serve to carry out this policy. Students who conduct themselves inappropriately may be issued detentions by the teacher/administrator witnessing the behavior.

**Expulsion**
In the event that the Superintendent of the sending school district and the NMTCC Director agree that expulsion is merited, an expulsion hearing is scheduled before the Board of School Directors of the sending school district.

Such hearings may be scheduled in accordance with the requirements of the Pennsylvania Department of Education and its regulations.

**Fire Drills and False Alarms**
Fire drills at regular intervals are required by law and are an important safety precaution. Students are expected to cooperate and follow directions. Whenever a fire signal is sounded, all persons must immediately exit the building in an orderly fashion under the direct supervision of their instructor. The teacher is responsible to see that the windows are closed, lights are on and doors are closed after the last person exits the room. **Students not with their class should leave the building by the nearest exit and report to the nearest instructor for roll call.** No one is permitted to reenter the building until the “all-clear” signal is given. Emergency evacuation routes are posted in each program, classroom and hallways of the building.

Penal Code, Section 665a, on False Alarms states: “Whoever knowingly gives, turns in or raises, or causes to be raised or turned in a false alarm of fire, ringing of fire bells, or gives any other common or recognized alarm of fire, is guilty of a misdemeanor, and upon conviction thereof, shall be sentenced to pay a fine of not less than $200 or not exceeding $1,000 or to undergo imprisonment not exceeding two years or both.”

CRISIS DRILLS - Drills are held periodically in order to train the students in crisis safety. NMTCC has crisis plans in place to deal with an unexpected crisis that may develop while at NMTCC. These plans are modified as needed. Students are expected to cooperate during the practice of these drills.

**Fireworks or Explosive Devices**
Fireworks or explosive devices are illegal and dangerous. Any student who is in possession of and who brings onto buses or into school, or who sets off fireworks or explosive devices, chemical agents (such as but not limited to tear gas, pepper spray) etc. may be subject to local, state and federal criminal charges. Law enforcement agencies may be utilized to apprehend the student responsible for risking a bomb scare catastrophe.

**Grading System**
The ability to grasp the necessary knowledge and skills to be competent in a technical career program is of extreme importance. However, the student’s conduct, attitude and self-discipline are also of great importance and may be reflected in the grade earned in the course.

A typical grade is determined by a student’s acquisition of skills, knowledge, and work ethics. Instructors will discuss the details of their grading system with their students. This is illustrated by a formula comprised of work ethic, knowledge, skill.

A certificate of completion will be awarded to students who have successfully completed a technical career education.

All absences, as a portion of classroom participation, will effect the work ethic portion of the student’s marking period grade. Students attending NMTCC will be given numerical grades that correspond to the following scale:

- **100-90 A**
- **99-89 B**
- **79-70 C**
- **69-60 D**
- **59 and below F (Failure)**

However, Cosmetology students need to be aware that they will need a minimum grade of 75% to earn hours.
F-Final Grade– Any student who fails his or her lab for the year will not be invited to return to NMTCC. (Please see Retention Criteria, page 16 for details).

I- incomplete will be given to any student who has failed to complete a minimum amount of work as determined by each instructor. All makeup work must be completed within 10 school days after the last day of the marking period (extended time frame does not apply to the last marking period). If not completed by the deadline, those tasks or assignments may receive a 0 and be averaged in with completed units to achieve a final grade.

NG- No Grade- will be issued when a student enters NMTCC but does not have sufficient time to complete the required minimum amount of work.

WP-Withdrawn Passing- will be issued when a student leaves NMTCC with a passing grade, prior to the end of the marking period.

WF-Withdrawn Failing- will be issued when a student leaves NMTCC with a failing grade, prior to the end of the marking period.

M-Medical Leave- Requires a doctor’s note and administrative approval. Missing work/tasks are not given a 0. Completed tasks may be carried over into the next marking period. Only one “M” will be assigned to a student during the school year. The final grade will be an average of the three report periods.

NOCTI
NOCTI is the largest provider of industry-based credentials and partner industry certifications for career and technical education (CTE) programs across the nation (nocti.org). Each school year seniors take NOCTI written and practical exams in order to receive their certificates of completion.

Many of our programs offer opportunities for students to receive certifications, in addition to the certificate of completion they receive upon completing their programs of study.

Some possible certifications include:

- ASE student certification, I-CAR certification, PPG paint certification (Auto Collision)
- PA Certified Safety/Emissions Inspector, MACS 609 Certification, ASE Student Certification (Automotive Technology)
- ACF-CFC; MCHD-CFSM; ACF-CFC Competency (15); SL2-Workplace Safety, Food Safety (Culinary Arts)

Retention Criteria
NMTCC administration has devised retention criteria as a tool to determine who will be invited back the following school year.

In order for a student to return to NMTCC for the next school year, the following criteria must be met:

1. The student must receive a final grade of 60 or above in his/her lab.
2. The student may not exceed the NMTCC attendance policy of 18 days absent.
3. The student may not have 3 or more discipline referrals.
4. The student must be in compliance with any existing Success Plans.

If the student does not meet any one or more of the above criteria, he/she will not be invited back to NMTCC. A letter will be sent home to the parents, and the sending school counselor contact for NMTCC. A student who has violated the Drug, Alcohol, and Weapons Policy shall not be retained nor re-admitted until at least the beginning of the school year following the expiration of a one calendar-year exclusion from the program.

Grade Progress Reports
Grade Progress Reports will be issued to NMTCC students quarterly. Grades from NMTCC may also appear on the students’ sending school report cards. Parents will have access to review grades, attendance, & discipline records for their child via the parent portal.

Parent Portal
Parents and students have access to student grades, courses, attendance and discipline through the Classmate Portal. Access to the portal can be granted through the tab listed on our webpage, www.nmtcc.org. The portal is also available to students by entering https://portals.classmate.net/sp/northmontco/

Obligations
Students are issued textbooks and other supplies that belong to North Montco Technical Career Center for use during the school year. It is the responsibility of the student to return the property in the condition that it was issued. Students not complying may be charged the replacement cost or a damage assessment for the article. In addition, students are required to purchase tools/materials for specific programs.
Any outstanding debt may result in withholding of grades, and/or credit for the school year, and/or prosecution. All financial obligations must be satisfied before a student returns to NMTCC or graduates from the sending school.

**Hall Passes**

In order to be successful in school, students must be in their labs/classes. Hall passes will be issued for a student to leave the classroom or program area. The student is expected to have an authorized pass signed by his/her teacher with the current date, time leaving class and the destination. In addition, students must sign out on the program log sheet.

**Harassment/Bullying**

North Montco Technical Career Center prohibits harassment of a sexual, cultural, or ethnic nature made by any member of the school staff to a student or staff member and/or when made by any student to another student or staff member.

A student should report a harassment/bullying complaint to his/her teacher, administrator, guidance counselor or other adult in the building. All complaints will be investigated and appropriate action will be taken.

All students receive a copy of NMTCC’s Unlawful Harassment Policy at the beginning of each school year. This policy, as well as the process for initiating a harassment complaint, will be thoroughly explained. All students will sign off that they have been made aware of the policy and agree to abide by it.

In accordance with the Pennsylvania Safe Schools Act 44, students may submit an anonymous report through the Safe2Say Something app, website, or by calling the hotline at 1-844-Saf2Say (723-2729). Safe2Say Something allows a person to submit secure and anonymous safety concerns to help identify and intervene with at-risk individuals BEFORE they hurt themselves or others. This may be used to report observed threats, behaviors, actions, and harassment.

**Health Services**

A full-time school nurse is available during regular school hours to treat students in case of illness and/or injury. All students are required to complete an emergency card to be signed by the parents and returned to the school nurse each year. These emergency cards are kept for each student to expedite location of parents and to obtain urgently needed information for treatment for serious injuries and illness that may occur at school. The information requested on these cards is kept confidential, as are all health records.

Students who wish to see the school nurse must first obtain a pass from their instructor. However, in emergencies the student may go directly to the First Aid Office, which is located off the hallway near the entrance to the guidance office. An accident report must be completed for every school-related injury, and the instructor and student must sign the report. The school nurse must administer all medications.

**Medicines and Drugs**

Any student required to take a medication or drug of any type during school hours or while on school premises must report that fact to the school nurse and should deliver the medication or drug to the school nurse. A complete check may be made to determine whether it is necessary for the medication to be taken during school hours. If students must take the medication during the school day, the procedure is as follows:

In Pennsylvania an authorized prescriber is a physician, nurse practitioner, certified midwife, podiatrist, physician’s assistant or dentist. (Pa2.) Storage and Security of Medications All medications must be stored in their original pharmacy container. No more than a thirty (30) school day supply for any one medication can be stored at school. (PA3). In accordance with standard medical practice, a medication order from a licensed prescriber should contain: Student’s name; Name and signature of the licensed prescriber and phone number;

- Name of the medication
- Diagnosis
- Route and dosage of medication
- Frequency and time of medication administration
- Date of the order and discontinuation date
- Specific directions for administration, Possible Side effects
- Additional Information if necessary
- (PA13) The CSN may want to obtain from a licensed prescriber the following additional information, if appropriate: Any specific side effects, contraindications and adverse reactions to be observed; Any other medications (prescribed or over-the-counter) being taken by the student. (PA4.) All medication orders should be renewed at the beginning of each academic year. Standing Orders Standing orders are medical directives written by the school’s physician. These orders may authorize administration of specific over-the-counter (OTC) medications. Over-the-Counter Medications (OTC) medications, must be treated as prescribed medications requiring both an order from a licensed prescriber and consent from a parent/guardian such as: acetaminophen or antacids and/or emergency medications such as epinephrine (Epi-pen) to students according to a defined protocol. The locally approved medication administration/authorization form must be signed by the authorized prescriber and the parent/guardian. A stamp with the prescriber’s signature is acceptable; however, a printed name stamp is not acceptable. A written parent/guardian authorization must accompany each medication order. An order should be renewed annually even if the order is for a prn (as needed) medication. The authorization will be filed in the student’s school health record.

**I.D. Badges**

Identification (I.D.) badges are to be worn in the building. Students must possess NMTCC ID badges at all time. The badges are necessary to purchase lunch, attend activities, etc. A replacement fee will be charged for a lost, stolen or defaced badge.

**ONCE A BADGE IS PRINTED, THE STUDENT IS RESPONSIBLE FOR THE REPLACEMENT FEE.**

Replacement badge $5.00
Insurance
NMTCC does not carry insurance coverage for student accident or injury. School accident insurance is available to students through their sending school. It is recommended that all students attending NMTCC have insurance coverage in case of accident or injury.

Interim Reports
Interim reports serve as progress reports and will be mailed to parents of students midway through each quarter or at other times, as deemed advisable. These forms will indicate teacher recognition of measurable improvement or warn of unsatisfactory performance. Parents of students who are in danger of failing will receive notification by mail and/or phone prior to the end of the marking period.

Language
Any language that can be deemed offensive by others is unacceptable at NMTCC and will result in appropriate disciplinary action.

Laser Pointers
Laser pointers present a significant health hazard (eye injury) to students and staff. As a result, students are not permitted to have laser pointers in school for any reason. The laser pointer will be immediately confiscated and will be returned in person to a parent or guardian only.

Lateness Tardiness to School or Class
NMTCC instructional program includes emphasizing those qualities necessary for successful employment during and after the student’s technical preparation. Among the most sought after qualities in an employee are dependability and promptness. We will do everything possible to reinforce those qualities.

When arriving late to NMTCC, immediately report to the main office and receive an admission pass, before reporting to class.

Three (3) unexcused tardies will constitute a detention. Any additional tardies beyond the 3 in a marking period will result in a deduction from the marking period grade.

Lateness is divided into two (2) categories. The first category involves a situation where the student is late arriving at NMTCC from the sending school. The second category involves situations where the student is late for a class session after arriving at NMTCC. These two categories of lateness will be handled as follows:

Arriving late from Sending School
If a student will be late arriving from the sending school because the student missed the authorized transportation from the sending school, the student must follow these guidelines.

A. The student must report to the sending school office before proceeding to NMTCC. This lateness will be handled according to the sending school policies.

B. If a means of transportation can be secured to get the tardy student to NMTCC, the sending school will contact NMTCC regarding the arrangements and give the student written authorization. Students will not be given authorization to drive to NMTCC if they miss the authorized transportation.

C. The student must report to NMTCC’s office immediately upon arrival. PLEASE NOTE: IF A STUDENT FAILS TO FOLLOW THESE STEPS AS OUTLINED, THE STUDENT WILL BE SUBJECT TO DISCIPLINARY RESPONSE PROCEDURES.

Lateness within NMTCC
Any student who is reported as “late” for a class session or activity, without a reasonable and acceptable explanation, will be handled under the guidelines of the Disciplinary Responses chart on the page 32.

NOTE: If a student misses the bus returning to the sending school, the student will be assigned to In-School Suspension (ISS) until the next bus returns to the sending school. If the next bus is not until the next school day, the parent or guardian will be notified to pickup the student.

Locks/Lockers
Locks and lockers are provided to students based on laboratory needs. Students should not bring valuables or large sums of money to school to be kept in their lockers. To guard against the loss of materials students should not share or trade lockers, give their combination to any other students, or exchange locks. If a lock/locker is damaged and/or personal property is missing, the student must notify NMTCC Security immediately. NMTCC will not accept responsibility for lost or missing items. Student property that is stolen but left outside the provided locker, will not be investigated by security or administration. Students must lock up all valuables.

Lost and/or damaged locks and damaged lockers are the responsibility of the assigned student. The cost of lock replacement is $5.00. Only locks issued by NMTCC are permitted for use in the facility.

Lockers are the property of NMTCC and are subject to inspection by the school administration at any time. Students should expect no rights to privacy in regards to their lockers.

Lost and Found
Lost articles that are found should be turned in at the NMTCC Security office. Lost articles should be reported to the student’s instructor and to the school security officer. Articles not claimed within one month will be given to charity.
**Plagiarism and Cheating**

All students are expected to do their own work when assigned individual papers, projects and when taking tests. The definition of plagiarism is “to use and pass off (someone else’s ideas, inventions, writings, etc.) as one’s own.” If you are not sure whether something you are doing is plagiarism, check with your teacher before you submit your work. Cheating is any type of fraud such as copying another student’s answers on a test or turning in another’s project as your own.

**First Offense:** Student will receive a “0” on the assignment; parental contact, and a Detention.

**Second Offense:** The student will receive a “0” on the assignment and a grade of “F” in the course for the quarter; parental contact.

**Third Offense:** The student will fail the course for the year; parental contact.

**Release of Educational Records**

A student’s educational record at NMTCC may not be released to employers without a signed release from the parents of the student or from the eligible student. Information release forms are available in the Student Services Office. Release of educational records to any other person or agency may be done in accordance with the “Student Record Keeping Policy” on file in the Student Services office.

The No Child Left Behind Act of 2001 sets forth provisions that allow military personnel access to secondary school students’ directories. These directories typically contain student’s names, addresses and phone numbers.

In order to comply with the federal mandate, North Montco Technical Career Center may provide military recruiters with students’ directory listings. **If you do not want the school to disclose directory information from your child/children’s records without your prior written consent, you may complete the Media/Military Release in the back of this handbook and return the signed form to NMTCC by October 1 of the current school year.**

**Retention Criteria**

NMTCC administration has devised retention criteria as a tool to determine who will be invited back the following school year.

In order for a student to return to NMTCC for the next school year, the following criteria must be met:

1. The student must receive a final grade of 60 or above in his/her lab.
2. The student may not exceed the NMTCC attendance policy of 18 days absent.
3. The student may not have 3 or more discipline referrals.
4. The student must be in compliance with any existing Success Plans.

If the student does not meet any one or more of the above criteria, he/she will not be invited back to NMTCC. A letter will be sent home to the parents, and the sending school counselor contact for NMTCC. A student who has violated the Drug, Alcohol, and Weapons Policy shall not be retained nor re-admitted until at least the beginning of the school year following the expiration of a one calendar-year exclusion from the program.

**School Closing Announcements**

NMTCC has chosen to adopt the BLACKBOARD CONNECT Rapid Notification Service to enhance parental communication. This service will allow the school to send a voice and/or email message to all parents, employees, and emergency contacts within minutes, if an emergency occurs at the school. The BLACKBOARD CONNECT service will also assist NMTCC in reducing the resources needed to pass along key information regarding school events or reminders.

Students whose sending school is closed will be excused from attending classes at NMTCC. The emergency closing number for NMTCC is **1124.** NMTCC school closings are broadcast over WNPV 1440 AM radio and TV channels 3, 10, 29 and on our website www.nmtcc.org

**Searches**

All lockers and other storage areas provided for student use on school premises remain the property of the school and are provided for the use of students. The administration may search any locker, in the interest of the health, safety and welfare of all school students, with or without the student being present. A member of the administrative staff may search the person of a student during a school activity. Searches of the person of a student shall be limited to the following:

- Searches of the pockets, shoes, and socks of the student.
- Searches of any object in the possession of the student such as a purse, knapsack, bookbag, etc.

Students shall not expect privacy regarding items placed in school lockers as school property is subject to search at any time by school officials. School officials, without regard to any individualized suspicion, may conduct random periodic or sweeping searches.

**Student Code of Conduct**

The mission of NMTCC is teaching and learning. Simply stated, the philosophy of discipline to which NMTCC subscribes is that any disruptive acts that impede the teaching and learning process will not be tolerated. Students who engage in acts of misconduct jeopardize their own education, interfere with the learning of others, and tend to undermine the school’s instructional program. It is the responsibility of the school to take whatever steps are necessary to correct student misconduct through the use of appropriate measures.

NMTCC takes the position that effective discipline can be maintained best by balancing corrective and preventive approaches. To this end, NMTCC follows an “assertive discipline” model to assist students in developing self-discipline. (See Discipline Matrix).

The chart listed in back of the book provides a list of
examples of misbehaviors and possible disciplinary responses. The guidelines are to be viewed as examples only and do not represent all types of misbehaviors or necessarily the resulting consequences:

Student Infraction and Disciplinary Response Code:

1. Written Reprimand
2. Detentions
3. Suspensions
4. Suspensions with recommendation for removal from NMTCC and/or expulsion from sending school + Indicates additional days

ANY STUDENT WHO ACCUMULATES THREE (3) DISCIPLINARY INFRACTIONS – DETENTION, IN-SCHOOL SUSPENSION (ISS), OR OUT-OF-SCHOOL SUSPENSION (OSS) WILL HAVE AN ADMINISTRATIVE HEARING TO DETERMINE THE APPROPRIATENESS OF THE STUDENT’S PLACEMENT AT NMTCC. ANY MISCONDUCT, ABUSIVE BEHAVIOR OR UNCOOPERATIVE ATTITUDE DURING THE DISCIPLINE PROCEEDINGS MAY ADVANCE THE DISCIPLINARY ACTION RESPONSE STEP.

Student Rights and Responsibilities

The following student rights and responsibilities have been derived from Chapter 12, Pennsylvania Code, Title 22, Education (1984):

1. All persons residing in this Commonwealth between the ages of 6 and 21 years of age are entitled to a free and full education in the Commonwealth’s public schools.
2. Parents or guardians of all children between the ages of 8 and 17 are required by the compulsory attendance laws to ensure that their children attend an approved educational institution, unless legally excused. Students who have not graduated may not be asked to leave merely because they have reached 17 years of age if they are fulfilling their responsibilities as a student.
3. Education is a statutory right and students must be afforded all appropriate elements of due process if they are to be excused from school.
4. Students have a right to express themselves unless such expression materially and substantially interferes with the educational process, threatens immediate harm to the welfare of the school or community, encourages unlawful activity, or interferes with another individual’s rights.
5. Students have the right to confidential communications with school personnel. However, where the health, safety, or welfare of other persons is clearly in jeopardy, confidential information may be revealed to the student’s parents or other appropriate authorities.
6. Students also have the right to:
   - A safe, meaningful learning environment
   - An appropriate and challenging curriculum
   - Protection from physical or verbal abuse

7. Discipline in private, when possible

Student Responsibilities

Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.

No student has the right to interfere with the education of his or her classmates. It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process.

Students should express their ideas and opinions in a respectful manner. It is the responsibility of the students to conform to the following:

1. Be aware of all rules and regulations for student behavior and conduct themselves in accord with them.
2. Volunteer information in matters relating to the health, safety and welfare of the school community and protection of school property.
3. Dress and groom to meet fair standards of safety and health, and not to cause substantial disruption of the educational process.
4. Assist the staff in operating a safe school for all students.
5. Comply with all Commonwealth and local laws.
6. Exercise proper care when using public facilities and equipment.
7. Attend school daily and arrive on time for all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to complete satisfactorily the courses of study prescribed by Commonwealth and local school authorities.
10. Report accurately and not use indecent or obscene language in student newspapers or publications.

Suspensions

For Out-of-School Suspensions not Exceeding 3 days:

1. The student is informed orally of the reasons for the suspension and is given a chance to respond.
2. The parents or guardians are notified immediately by phone and in writing.
3. The student is not permitted on the NMTCC campus or at school-sponsored functions.

For Out-of-School Suspensions Exceeding 3 days:

1. The student is informed orally of the reasons for the suspension and is given a chance to respond.
2. The parents or guardians are notified immediately in writing of the suspension. Prior notice of the
suspension need not be given when it is clear that the health, safety, or welfare of the school community is threatened.

3. The school administrator must offer an informal hearing to the student, parent, or legal guardian within five (5) days after the suspension is issued.

4. The purpose of the informal hearing is to enable the student to meet with the appropriate school officials to explain the circumstances surrounding the event for which the student is being suspended, or to show that there is some compelling reason why the student should not be suspended. The informal hearing also encourages the student’s parents or guardian to meet with a school administrator to discuss ways by which future offenses can be avoided.

5. The student is not permitted on the NMTCC campus or at school-sponsored functions.

The following due process requirements are to be observed in regard to the informal hearing:

• Notification of the reasons for suspension shall be given in writing to the parents or guardian and to the student.
• Sufficient notice of the time and the place of the informal hearing shall be given.
• The student has the right to question any witnesses present at the hearing.
• The student has the right to speak and produce witnesses on his/her own behalf.
• The school must offer to hold the informal hearing within five (5) days of the suspension.
• Students shall be permitted to make up without penalty, any quiz, test, or exam missed while being disciplined within a time span equal in school days to the suspension period. It is the student’s responsibility to arrange a time with the instructor when work may be made up.

6. Based upon a reciprocal arrangement between NMTCC and the sending school districts, suspensions assigned at NMTCC are binding at the student's high school and prevent him/her from attending any school-related event until the suspension is over. Likewise, NMTCC honors the suspensions given at the sending school because of drug/alcohol use or mental health issues. The Student Support Program is an intervention program designed to identify students who are having problems in school because of drug/alcohol use or mental health issues. The goal of this program is to intervene with these at-risk students, in an effort to promote achievement, academic success and healthy lifestyle choices. If it is determined that a student is at-risk, the team works to connect the student and his or her family with appropriate school-based or community resources.

The Student Support Team is comprised of teachers, counselors, school nurse, and the principal. Students can be referred to the team by teachers, administration, students, parents, and the student themselves. Referrals can be initiated for drug or alcohol violations, but more commonly they occur because of observed changes in a student’s behavior or performance. All Student Support Team matters are kept confidential within the team unless the law requires reporting them.

Student Driving
Driving a vehicle to or from NMTCC is a privilege offered to qualifying students by the Administration. The administration reserves the right to deny or revoke the student driving privilege at any time during the school year. Having the parking

Sec. 1606.8 (a)
The Joint Operating Committee prohibits all forms of unlawful harassment of students by all Career Center students and staff members, contracted individuals and vendors, and volunteers in the schools. The Joint Operating Committee encourages students who have been unlawfully harassed to promptly report such incidents to the designated employees. The Joint Operating Committee directs that complaints of unlawful harassment shall be investigated promptly, and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the Career Center’s legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith charges of unlawful harassment.

Definitions

Examples of sexual harassment include but are not limited to:

1. Submission to such conduct is made explicitly or implicitly a term or condition of a student’s academic status.
2. Submission to or rejection of such conduct is used as the basis for academic or work decisions affecting the individual.
3. Such conduct deprives a student of educational aid, benefits, services, or treatment.
4. Such conduct has the purpose or effect of substantially interfering with the student’s school performance or creating an intimidating, hostile or offensive educational environment.

The term unlawful harassment includes but is not limited to slurs, jokes, hazing or other verbal, graphic or physical conduct relating to an individual’s race, color, religion, ancestry, sex, national origin, age or handicap/disability. The following are other forms of unlawful harassment which is prohibited by this policy. Ethnic harassment includes the use of any derogatory word, phrase or action characterizing a given racial or ethnic group that creates an offensive educational environment.

Sexual harassment shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of a student’s academic status.
2. Submission to or rejection of such conduct is used as the basis for academic or work decisions affecting the individual.
3. Such conduct deprives a student of educational aid, benefits, services, or treatment.
4. Such conduct has the purpose or effect of substantially interfering with the student’s school performance or creating an intimidating, hostile or offensive educational environment.

Examples of sexual harassment include but are not limited to sexual flirtations, advances, touching or propositions, verbal abuse of a sexual nature; graphic or suggestive comments about an individual’s dress or body; sexually degrading words to describe an individual; jokes, pin-ups, calendars, objects, graffiti, vulgar statements, abusive language, innuendoes, references to sexual activities, overt sexual conduct, or any conduct that has the effect of unreasonably interfering with a student’s ability to work or learn or which creates an intimidating, hostile or offensive learning or working environment.

Delegation of Responsibility

Each student shall be responsible to respect the rights of their fellow students and to ensure an atmosphere free from all forms of unlawful harassment.

Students shall be informed that they may choose to report unlawful harassment complaints to: building administrators, teachers, counselors, or nurses.

All employees who receive unlawful harassment complaints from a student shall report such to the Administrative Director or Superintendent of Record.

Guidelines
When a student believes that she/he is being unlawfully harassed, the student should immediately inform the harasser
that his/her behavior is unwelcome, offensive, or inappropriate. In the event that such informal, direct communication between individuals is either ineffective or impossible, the following steps should be followed in reporting an unlawful harassment complaint.

Complaint Procedure

1. Notification of Appropriate Staff - Individuals who believe they have been subjected to unlawful harassment should initially report the incident to an administrator, teacher, counselor, or nurse. If any administrator, teacher, counselor, nurse, or any other employee in the school receives a complaint in an informal manner, this policy requires those individuals to file a confidential report to the Administrative Director or the Superintendent of Record about the complaint so that school will be aware of any pattern of harassment by a particular individual.

2. Description of Misconduct - An accurate record of objectionable behavior or misconduct is needed to resolve a formal complaint of unlawful harassment. Verbal reports of unlawful harassment must be reduced to writing by either the complainant or the individual(s) designated to receive complaints and be signed by the complainant.

3. Time Frame for Reporting Complaint - The school encourages a prompt reporting of complaints so that rapid response and appropriate action may be taken. However, due to the sensitivity of these problems and because of the emotional toll such misconduct may have on the individual, no limited time frame will be instituted for reporting unlawful harassment complaints. Late reporting of complaints will not in and of itself preclude the school from taking remedial action.

4. Protection Against Retaliation - The school will not in any way retaliate against an individual who makes a report of unlawful harassment nor permit any employee to do so. Retaliation is a serious violation of this Unlawful Harassment Policy and should be reported immediately. Any person found to have retaliated against another individual for reporting unlawful harassment will be subject to the same disciplinary action provided for unlawful harassment offenders.

Investigating The Complaint

Any allegation of unlawful harassment brought to the attention of the Administrative Director or Superintendent of Record will be promptly investigated in as confidential a manner as possible so as to protect the privacy of persons involved. Confidentiality will be maintained throughout the investigation process to the extent practical and appropriate under the circumstances. In pursuing the investigation, the investigator will try to take the wishes of the complainant into consideration, but will thoroughly investigate the matter as she/he sees fit.

Resolving The Complaint

Upon completing the investigation of an unlawful harassment complaint, the school will communicate its findings and intended actions to the complainant and alleged harasser.

If the investigator finds that unlawful harassment occurred, the harasser will be subject to appropriate disciplinary procedures, as listed below. The complainant will be informed of the disciplinary action taken.

If the investigator determines that no unlawful harassment has occurred, this finding will be communicated to the complainant.

Maintaining A Written Record Of The Complaint

The school shall maintain a complete written record of each unlawful harassment complaint and how it was investigated and resolved. Written records shall be maintained in a confidential manner by the Administrative Director.

Discipline

If the investigator finds that unlawful harassment occurred, the harasser will be subject to appropriate disciplinary procedures. If the investigator determines that no unlawful harassment has occurred, this finding will be communicated to the complainant.

Employees found to have engaged in misconduct constituting unlawful harassment shall be subject to the sanctions set forth in the School’s Unlawful Harassment Policy governing professional and non-professional employees.

Administrators found to have engaged in misconduct constituting unlawful harassment will be disciplined in accordance with the policy governing administrative employees.

Pol. 218 Students found to have engaged in misconduct constituting unlawful harassment will be subject to discipline in accordance with the Student Discipline Code, which may include the elimination of entitlement to certain educational activities and counseling services relating to unlawful harassment. These situations will be referred to the sending school district for action under the sending school district’s Discipline Code, which can include, but not be limited to, expulsion.

The appeal procedure for employees and administrators shall be in accordance with the applicable policies governing unlawful harassment. The appeal procedure governing student discipline shall be in accordance with the applicable Student Discipline Code.

We ask that you read the Student Handbook so you are familiar with the rules. The handbook is available online at www.nmtcc.org You should also have your parents or guardian read the handbook. You and your parents or guardian must sign this form and return it to your teacher. By signing this form, you and your parents or guardian are verifying receipt of a handbook and acknowledging your understanding of our policies and procedures as outlined within the handbook.

Please give special attention to the Internet Policy and Harassment Policy. This will help you understand our Harassment policy and responsibilities of all Internet users. You are also requested to review the Attendance Policy. Since curriculum delivery at North Montco Technical Career Center greatly involves teacher demonstration and hands-on activities, your attendance is very important. Failure to attend school on a regular basis will have a great impact on your overall grade and may result in dismissal from the program.

INTERNET POLICY FORM

THIS SECTION MUST BE SIGNED BY A PARENT OR GUARDIAN

I understand that the Internet has opened up a vast resource for school entities throughout the world. I understand that students now have opportunities to access research databases that heretofore were unavailable to many schools. I understand that the Internet opens up the possibility of students having access to possibly defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material by “surfing through the Internet.” The North Montco Technical Career Center will use its best efforts in order to limit such access to only those areas of educational value. However, it is understood that no matter how much supervision and monitoring NMTCC can utilize, there will always be the possibility of my child coming into contact with possibly defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material. I understand that because of First Amendment concerns, it is difficult to implement any form of monitoring system to filter through these kinds of materials. Not withstanding this fact, I recognize the importance of our children becoming technologically aware in an increasingly technology society, and I consent to the use of the Internet.
